

Fee Increase: Core Super

At Intrust Super we pride ourselves on our quality product and service offering. We help our members to save for retirement in a cost-effective, 100% industry fund. For this reason SuperRatings has awarded us a Platinum "Best value for Money" award for the past six years.

Occasionally it is necessary for us to increase our fees, though, and due to increased operational and administrative costs, as well as necessary enhancements as a result of the Stronger Super reforms, the administration fee on our Core Super product will increase from \$1.40 per week to \$1.50 per week. This increase will take effect from 1st January 2013.
